Term Card - Epiphany 2010

Welcome back to Durham for an exciting term!

This term we're organising a packed week of talks and outreach: Life (see below) It's going to be a fantastic opportunity to share our faith with the rest of Durham University. We had over 60 response cards from people wanting to investigate the claims of Jesus further after the Carol Service last term, and Life will be a brilliant opportunity to follow up your friends' questions from throughout the year. Also, some members of the CU are putting together an album to be recorded and released this term with the theme of Life to get people thinking about Main Event Week.

First Contact is being relaunched as well! We will be out regularly now, every Wednesday, meeting at Nic's at 1:00pm to engage people in conversation about Jesus. As well as that, www.diccu.co.uk has been relaunched with an all new design and content:

In the last week of term, we have the Easter Service in the Cathedral.

Feel free to get in touch: contact@diccu.co.uk
